COMMITTED TO QUALITY

At S&S Truck Parts Inc., our commitment to quality extends from our manufacturing process to our Quality Control Laboratory (QCL). The QCL located at our Corporate Headquarters in Schaumburg, Illinois contains the most advanced and sophisticated quality inspection equipment to ensure that GENUINE NEWSTAR components meet the industry’s most stringent quality standards.

STATE OF THE ART TESTING

Klingelnberg-Hofer CNC (Computer Numeric Controlled)
Checks all gear tooth dimensions to insure teeth are made correctly

Starrett CMM (Coordinate Measuring Machine)
For checking lengths, locations, concentricity of diameters, flatness, and more

Starrett CNC Optical Comparator
For visual checks of forms, radius, lengths, heights, and more

Gleason Universal Gear Tester
Functional rolling machine for testing gear sets

Mitutoyo HR-500 Rockwell Hardness
Measures Rockwell hardness of various metals and other materials in thirty different hardness scales

Custom Engineered Fixtures
Enable testing to original specs for pop-off, pressure differential, and crack pressures as required by part number on all air valves
S&S WARRANTY

All Replacement Parts covered in this catalog are warranted for one (1) year / 100,000 miles from installation, or 18 months after purchase from S&S Truck Parts, Inc., whichever comes first. We warrant all new parts against defective material or workmanship when such parts are used in appropriate applications. We will NOT extend this warranty to parts where failure or damage was caused by misapplication, accident, or abuse.

Unless otherwise stated, authorization from your salesperson is required to initiate any return for warranty. If our examination shows the parts to be defective, we will replace such parts free of charge. This warranty extends solely to replacement of defective parts; we disclaim liability for labor and/or special or consequential damages of any nature.

If it is necessary to return any parts under this warranty, the buyer agrees to wait for settlement of his claim before any deductions are made in payment to S&S. Any expenses incurred without the consent of S&S will be disallowed.
S&S Truck Parts, Inc., the parent company of Newstar, supplies parts & components for medium & heavy duty applications. Exceeding customers’ expectations, products are vigorously tested in house by engineers & skilled technicians in an unsurpassed quality control laboratory. Superior customer service & support set S&S apart from the rest. Industry leading fill rate assures you get the parts you need, when you need them.
